

Voter's ID registration drive

Academic Year: 2023-24

Name of the Event: Voter's ID registration drive

Date and Time of the Event: 14th September 2023; 9:00 am to 04:00 pm

Venue: Computer Center, I²IT, Pune

Event Coordinator: Dr. Sandeep Varpe (NSS Programme Officer)

Number of Participants: 12 NSS Volunteers

Number of Beneficiary: 90

Activity Description in Nutshell:

On 14th September 2023, the NSS Unit of the International Institute of Information Technology (I²IT) hosted a Voter's ID registration drive on the college campus. The event aimed to encourage eligible students and faculty members to register for Voter's ID cards, thereby promoting active participation in the democratic process. To ensure maximum participation, the event was widely promoted through sms, email newsletters, and social media.

The drive successfully registered 90 participants, including 80 students, demonstrating a high level of engagement from the NSS unit. Participants were required to provide proof of age, residence, and citizenship, which the registration team carefully entered into the election commission's database. The efficient organization of the event resulted in minimal waiting times and a smooth registration process.

Additionally, the event served as an educational platform, with many participants noting that they had not fully understood the importance of having a Voter's ID prior to the drive. This educational aspect helped raise awareness about the significance of civic participation, making the event not only a registration success but also a valuable learning experience for the Students.
