#### **Briefing of the Event:**

On 16th January 2025, the Department of Computer Engineering, under the banner of the Computer Engineering Student Association (CESA), organized an insightful session titled "**Embracing Interviews with Confidence.**" The session aimed to equip students with essential skills and strategies to excel in their career journeys. It provided participants with valuable insights into the interview process and practical tips for preparation.

The session featured a leading professional from the tech industry who shared expert advice on tackling interviews confidently, landing dream jobs, and navigating career challenges. The event was structured to address critical aspects of interview readiness, including expert tips, actionable strategies, and real-world advice tailored to the tech industry.

In conclusion, This initiative by CESA exemplified its unwavering dedication to cultivating professional excellence among students, empowering them with the requisite skills and knowledge to seize future opportunities with confidence and distinction.
