P-14, Rajiv Gandhi Infotech Park, Phase I, Hinjawadi, Pune – 411057

### Event Report

**Academic Year:** 2024-25, Semester-II

**Name of the Event:** “Heritage Clean-up Drive”

**Date & Time of the Event:** 28.02.2025(7:00 am -5:00 pm)

#### Briefing of the Event:

On February 28th, 2025, the Computer Engineering and Information Technology Departments, through CESA, ITSA, and the IEEE Student Branch, organized "Heritage Clean-up Drive" at Shivneri Fort, Junnar. The event aimed to preserve the fort's historical significance and instill environmental responsibility among students.

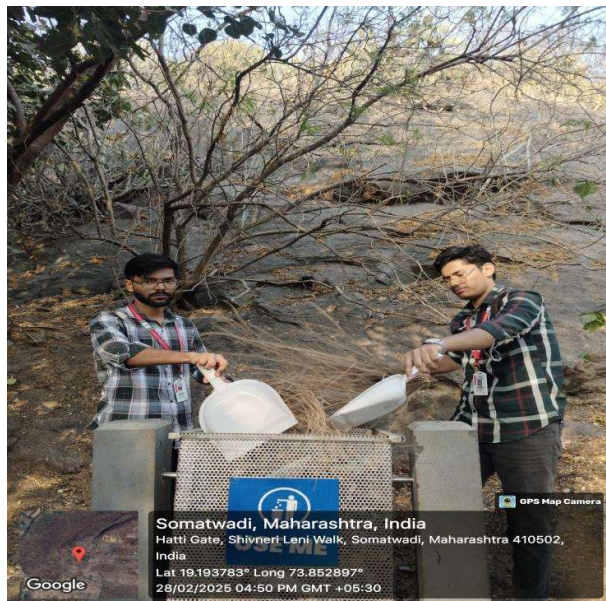

Students actively participated in cleaning and maintaining the fort, fulfilling the objective of preserving its cultural heritage. Educational discussions on conservation and waste management were also conducted, reinforcing the importance of sustainability. The collaborative effort fostered a strong sense of community and responsibility.

The successful drive reaffirmed the associations' commitment to developing well-rounded students, blending technological knowledge with social and environmental consciousness. The event empowered students to become responsible citizens, contributing to heritage preservation and environmental sustainability.

## Event Photos: -

Students and professors joined hands to clean Shivneri Fort, preserving history and fostering a sense of environmental responsibility.

Students unite to clean and preserve the historic **Shivneri Fort**, fostering a spirit of community service and environmental responsibility.

Student's efforts result in a noticeable improvement in the cleaning of the fort, with reducing litter and properly disposed of waste.
