- 7. Event Report:**

The Shunya Shield Cybersecurity Club at the International Institute of Information Technology organized a Research Paper Writing Competition on February 2, 2025. The event aimed to foster a research-oriented mindset among students and enhance their understanding of cybersecurity-related challenges.

From the submitted papers, three outstanding research papers were shortlisted by a panel of faculty members. Among these, one paper titled “Addressing Hallucinations in Generative AI for Enhanced Cybersecurity Applications” was selected and submitted to the Pune International Center (PIC) Whitepaper Contest on ‘AI in Cybersecurity.’

Recognition and Achievement:

We are proud to announce that the submitted paper won 2nd place in the PIC Whitepaper Contest. The research was conducted under the guidance of Prof. Bhagyashri Thorat and was co-authored by Atharva Patil and Saumya Sharma.

As part of this recognition, the authors have been invited to attend the session on “Collaboration on Cyber Resilience: An Economic Imperative” at the Asia Economic Dialogue on February 21, 2025
