

Cleanliness Drive at Rajgad Fort

Academic Year: 2022-23

Name of the Event: Cleanliness Drive at Rajgad

Date of the Event: 28th January 2023

Venue: Rajgad Fort

Number of Participants: 07 volunteers

Activity Description in Nutshell:

Organizing a cleanliness drive at Rajgad Fort with NSS (National Service Scheme) volunteers is a commendable initiative that contributes to both environmental conservation and community engagement. On 28th January 2023, NSS Volunteers of the International Institute of Information Technology (I2IT), Hinjawadi, Pune visited to Rajgad Fort. NSS volunteers actively participated in cleaning the fort premises, removing litter, and ensuring proper disposal. Emphasis was placed on segregating waste into recyclables and non-recyclables, promoting eco-friendly practices. The NSS volunteers' involvement in such activities not only contributes to the immediate improvement of the environment but also instills a sense of responsibility and community service among the participants. It serves as a positive example for others and helps in the overall well-being of historical sites and their surrounding communities.
