## **REPORT**

In an attempt to set a Guinness World Record for the "largest distribution of saplings", 20,000 students were distributed saplings at Savitri Phule Pune University (SPPU) on Sunday. The students of International Institute of Information Technology, Hinjawadi, Pune, was participated in the Program of Savitribai Phule Pune University to attempt the record, the students were placed in a grid formation,”

In an attempt to set a Guinness World Record for the 'largest distribution of saplings' 16731 students were distributed saplings at Savitri Phule Pune University (SPPU) on Sunday. Chief Minister Devendra Fadnavis as the chief guest, along with Pune Guardian Minister Chandrakant Patil were present at the event.

The event was organised at a big playground near the university, students wore tricolour t-shirts and cap during the event and sat accordingly to represent the National Flag. With the record attempt, the SPPU announced the start of its ‘Green Wari’ initiative, which combines ecological awareness with the larger objective of promoting conservation of water resources and regenerating the tree cover.

To promote this program on behalf of I2IT total 123 students were participated along with three faculties.
