Activity Report**

- **Academic Year:** 2024-2025
- **Name of Event:** Space Day Brain Orbit Quiz Competition
- **Date and Time of Event:** 23 August 2024 , 1:45 pm
- **Venue:** Convention centre
- **Activity Description in Nutshell:**

On 23rd August 2024, at 1:45 PM, the Space Day event was held at the Convocation Centre, marking a significant celebration of National Space Day. The event began with an introduction to the importance of this day, accompanied by a captivating teaser video that set the stage. Esteemed guest Mr. Rajesh Choudhari was introduced and felicitated, bringing prestige to the occasion. The program then explored the history and accomplishments of ISRO, offering a comprehensive overview of its journey from inception to its current status as a leading space agency. This segment was enriched by a video showcasing ISRO's milestones and future missions, leaving the audience inspired.

The event also paid tribute to Dr. Vikram Sarabhai, the visionary founder of ISRO, through an in-depth discussion and a video celebrating his legacy. Ms. Madhura provided information about internship opportunities in space research, encouraging students to explore these avenues. The session on the Chandrayaan mission highlighted India's advancements in lunar exploration, with a video that showcased the mission's successes. Each of these activities contributed to a deeper understanding and appreciation of India's space achievements.

The highlight of the event was an insightful address by Mr. Rajesh Choudhari, where he emphasized the importance of space research and National Space Day. The program concluded with the Brain Orbit Quiz Competition, conducted by Natasha, where participants demonstrated their knowledge of space-related topics. Winners were recognized and awarded gifts, bringing the event to a successful and celebratory close at the Convocation Centre.
