

## Event Report

**Academic Year:** 2025-2026 SEM-I

**Name of Event:** Expert Lecture on “Unlocking Creativity with Gen-AI”

**Date and Time of Event:** 15/09/2025, 2:00 PM to 4:30 PM.

**Venue:** Convention Centre

**Number of Participants:** 186

**Resource Person Name:** Mr. Nilesh Kadam

**Designation:** Director of AI/ML at MSCI Inc.

**Event Coordinators:** Prof. Swati Shinde (Coordinator, ITSA)

Dr. Tarun Kumar (Faculty Sponsor & Coordinator)

### Activity Description:

The event "**Unlocking Creativity With GEN AI**," was held to celebrate Engineer's Day in association with the Institution's Innovation Council, the I2IT's IT Student Association (ITSA), and the ACM Student Chapter. The event's primary focus was on exploring the power of Generative AI and how it can be used as a partner to inspire creativity and innovation.

The event featured a presentation by Mr. Nilesh Kadam, Director of AI/ML at MSCI, with a specialization in Generative AI and Computer Vision. The event served as a platform to bridge the gap between traditional engineering principles and cutting-edge artificial intelligence, showcasing how Generative AI can be a powerful tool for modern engineers. It aimed to inspire attendees—including students, faculty, and industry professionals—to explore the practical applications of AI in their own fields. By hosting a guest speaker from a leading technology company, the organizers sought to provide real-world context and demonstrate the career opportunities available in the rapidly evolving landscape of AI.

In addition to the main presentation, the event also included the announcement of the winners of the "**Surazadi ke**" and "**ByteBattles 2025**" competitions. The event was accompanied by the official inauguration of the ITSA and ACM Team. It took place on September 15, 2025, at 2:00 PM at the Convention Centre.

### Conclusion:

In conclusion, the "Unlocking Creativity With GEN AI" event was a significant success, marking a successful collaboration between the ITSA, and the ACM Student Chapter. The event effectively highlighted the transformative potential of Generative AI, positioning it as a key driver for innovation in modern engineering and technology. The valuable insights shared by guest speaker Mr. Nilesh Kadam, coupled with the recognition of talent in the "Sur azadi ke" and "Byte battles" competitions, made for an engaging and informative session. By officially inaugurating the ITSA and ACM Team, the event not only celebrated Engineer's Day but also set a forward-looking tone for future student-led initiatives in the field of artificial intelligence.

### Glimpses of the Event:

The flyer is for an event titled "Unlocking Creativity With GEN AI" held on September 15, 2025, at 02:00 PM at the Convention Center (CC). The event is organized by the Institution's Innovation Council (IIC) in association with the ITSA and ACM Student Chapter. The guest speaker is Mr. Nilesh Kadam, Director AI/ML at MSCI, Generative AI, Computer Vision. The event aims to explore how AI can inspire creativity and innovation, and to celebrate the winners of the "Sur azadi ke" and "Byte battles" competitions. The flyer includes logos for I²IT, ITSA, IIC, and ACM, and a "JOIN US" button.
